Foreword

The fall of 1952 saw the rehabilitation of Central completed. Like the legendary phoenix Central had been rejuvenated and stood ready to receive a student body, eager to carry on its traditional activities in sports, music, clubs, and most important, in the academic field. Working in pleasant surroundings, the staff of the 1953 Cehisean has happily recorded another chapter in the long history of our school.

From Scenes Like These

Rises The New Central

Dedication

To Miss Marie Hart, advisor of the class of '53, who by her kindness, patience, and experience has helped us to reach our goal successfully, we dedicate this issue of the Cehisean.

Miss Margaret Sas, our office manager, answers hundreds of questions daily. With the assistance of students in the commercial course, she keeps business moving.

If a student feels unequal to class work, or fancies he does, he goes to see Miss Marian McReavy, school nurse. She gives the verdict. "Go home, or go back to your class."

Miss Clara Claussen, school registrar, is the keeper of credits and averages. The wise student clears his record with her before too late.

Central has an outstanding Personnel Department with Mr. Donald Simmelink and Mrs. Maude Robinson as directors. Under their guidance students not only plan their high school programs but choose college courses.

MR. E. E. LENANDER
Principal

Four years ago you and we came to Central. To most of us the time has been all too short. These years have been filled with experiences that were new. As you and we write a "finis", memories keep surging back. When we attempt an appraisal we are impressed by how pleasant the memories are. We hope that you seniors have had and will have the experience of living happily with "one event following another in an endless chain."

Your Principal, E. E. Lenander

MR. ADOLF INGEBRETSON
Assistant Principal

Like the phoenix, that ancient emblem of immortality, Central emerges from its depressing state of disrepair, dirty walls and inadequate equipment, as a school which is new and young again and prepared to continue making her own positive contribution to the educational and social needs of its young citizens

A Choir

Miss Aryls Denzel, Central's able choral director led this year's "A" Choir through a very successful and happy year. The choir has gained city-wide recognition by singing in the Christmas pageant at the St. Paul Auditorium, at P.T.A. meetings and at other times when requested to do so. The Choir was honored by having Harry Robert Wilson, famous composer and choral director from New York, come to Central and use "A" Choir as a clinic choir. The outstanding production of the year was Victor Herbert's "Sweethearts."

Some of the most talented musicians in our school find expression for their art in the orchestra. Under the leadership of Mr. Chester Campbell, the orchestra plays at assembly programs, for the operetta, and at functions outside school. Last year some of the members of the orchestra were hired to play for the Wilson operetta, "Pinafore."

of the year was the participation in the St. Paul Winter Carnival square dance at the auditorium. Another event was the program for the Como P.T.A. The club sponsored the Sno-Day wagon and was always ready to put on demonstrations for assemblies. The advisors of the club are Miss Bauleke and Miss Bach.

The Bird Club has had a very profitable year becoming familiar with a large variety of birds through reports by the members, through field trips, and through visits to various museums in the Twin Cities. One of the projects was the

making of bird feeding stations and learning about what to feed the birds during the winter months. The St. Paul Audubon Society stimulates interest in birds and bird conservation, and many members are alumni of the Central Club.

Bird identification and wild life conservation become interesting with Miss Meili as mentor

Membership in the Girls' League is open to all girls at Central. The Club meets regularly, transacts business, and the talented members furnish entertainment. The girls proved to be good saleswomen by the successful selling of Xmas seals, holly, pop corn balls, and singing valen-

tines. The proceeds from these sales were used for the support of a young child in Finland. One of the traditions of the Girls' League is to make and present bouquets to each member of the faculty on May Day. Miss Mary Lou Bryant is the advisor of the Girls' League

WORDS DO NOT CONFUSE THEM.

Demosthenes was a great orator of ancient Greece, and Central toastmasters aim to be his close rivals. Meeting twice a month, the club members give speeches on topics of current interest. Learning to evaluate speeches and speaking off the cuff help the boys to gain poise and self-assurance. Joint meetings with toastmistress groups add interest and incidentally polish. Their advisor is Mr. Simmelink.

"B" FOOTBALL

The football team started the season with a defeat by South St. Paul in a non-conference game. Johnson City and Twin City Champ was the next conqueror of the Minutemen. Hapless Washington left to the surging Centralites as they bounced back from the losing trail. The Red and Black then slumped and lost three straight games to Marshall, Monroe and Mechanic Arts in the homecoming tilt. The Minutemen ended

the season with a winning streak, edging Murray 15-12 and trouncing Wilson and Harding.

Captain Roger Tucker represented the Minutemen on the All City team while Seniors Dave Martin, Jim Taylor and Tom Rohricht climaxed three years of football for the school. Ed Rydeen, Ron Roof, John Kepler and Fred Melius finished their playing days at Central as they helped the team to a fourth place finish.

Swimming

What? Again? Yes! Central's mermen swam their way to the city championship again this year which is their seventh in a row. They won all of their conference meets this year and also set three records at Wilder Pool. Dick Hansel, who is tops in diving, set a record in the 50 yard free style event while both the 200 yard freestyle and 150 medley relay teams set records. John Kepler, free stylist, and Wally Nebel, breast stroker, both ended the season being first in the city in their respective events. Let's hope the tankmen uphold these fine records!

Central's pucksters wound up the '53 season with two wins, five losses and two ties. Rog Tucker, Dave Ingram and Dick Carley, veterans from last year's squad, sparked this Minute men squad this year. Scott Hogan, newcomer,

was very effective playing center. Coach Ted Sauer drilled the boys hard this year keeping a close eye on the underclassmen watching for prospects for next year's team.

Basketball

Winding up in fifth place, the Minutemen were tabbed the "hot and cold" team of the conference. When they wanted to play ball as coach Coleman Kelly taught them, they looked good and defeated the opposition.

The Centralites started the season by beating Humboldt, and followed this with a heart-

breaking one point loss to Murray. Johnson was next to fall before the bucketeers, but Marshall, Mechanic Arts, and Monroe came out on the long end of the score against the Red and Black. Not to be outdone, the Central team fought back hard and knocked off Wilson, then a strong Washington team, and in the last game of the regular season trounced Harding.

Seniors Dave Martin, Ken Richter, Warren S. Thberg, Jim Taylor and Ed Blewett ended their careers at Central exhibiting some fine play. Juniors Dave West and Jeff Carlson were on the starting five and should form a nucleus for next year's team along with Jim Walton, Dick Erickson, and Bruce Harding, who also saw extensive service this season.

A full gym team consists of three classes - B, C and D. D class consists of beginners. C class consists of boys with one or more years of experience and the B class for the boy with ad-

vanced experience. This year the team has won one out of four matches. Ed Rydeen, Dick Hansel and Arnie Kroll held up the C class this year even though this class is not complete.

Wrestling

Under the guidance of Coach George Roscoe, Central's wrestling team is making remarkable progress having been in existence only three years. Central's team has to go far and wide for competition because there are no other teams in St. Paul high schools. By the end of February they had had nine matches and won five. Mr. Roscoe expressed his hope that three of his grapplers, Tom Rohricht, Ronnie Strang, and Ron Roof would get through the regionals. Good luck to an up and coming team!

Athletic Board

The Athletic Board at Central determines the policies which contribute to the smooth functioning of the whole athletic department. A function which is perhaps more obvious to the stu-

dents, however, is the determining of all letter and award winners. This is done with the help of recommendations of the coaches and is only another of the board's many functions.
